
Jakub Brambor

Poznan

(+48) 662934238

jakub.brambor.off@gmail.com

KEY SKILLS

Working and analyzing data, data visualization, coding in Python, Java, C++, SQL, SQL optimising processes, PL/SQL, MS Excel, fluency in both written and spoken English (C1), knowledge of working with AI.

EDUCATION

Poznan University of Technology – *3rd year student of Computer Science*

oct 2021 – apr 2025

Alongside attending university courses, I partake in AI (GHOST) and Cybersecurity (PUTrequest_) students club. My main projects were D&D Oracle Apex Application with database management, 3-dimensional Tetris game and Statistical Analysis of Public Transport Punctuality in Poznan. My main interests in the world of Computer Science are Data Science, Databases, Artificial Intelligence and Data Visualization.

Thanks to being in the leadership of PUTrequest_ club I gained many valuable skills, such as creating CaptureTheFlag exercises, video montage and team management.

FOREIGN LANGUAGES

English - C1 ACERT Certificate

French - B1

COURSES AND CERTIFICATES

Data Scientist with Python and R – *Datacamp*

Introduction & Intermediate R – *Datacamp*

Statistics and Data Analysis Course – *Poznan University Of Technology*

Introduction & Intermediate Machine Learning – *Kaggle*

Privilege Escalation in Linux – *PUTrequest_*

ADDITIONAL INFO

Worked as a voluntary at Researchers Night on behalf of PUTrequest_ students club.
